Some farmers have refused 9½¢ for tobacco in this county.

Daniel Morgan is feeding 85 head of cattle on his farm in the county.

Hubbard Ridgley, formerly of this county, is conducting five stores in Iowa.

Whisky and pistols are a combination that flesh and blood cannot withstand.

The roads were too slick for many to attend the sales at Flemingsburg Monday.

Red birds, the most delightful of songsters, are getting plentiful in the county.

Don't forget the concert at Christian Church February 24th. A musical treat.

Two cents a copy will be paid for ten copies of yesterday's LEDGER if returned to this office.

Notwithstanding the inclement day Saturday, Mr. Patrick Maher's sale was well attended and everything brought good prices.

Mr. Richard Welsh, who had his leg broken, is doing very well, but will be confined to his home for some two months, it is thought.

Mr. Charles Reed of the county and Messrs. Colman Hefflin and William Hicks were put through the traces last night by the Haymakers.

Some drunken fellow going out the Fleming pike last night discharged his revolver half a dozen times which gave currency and appearance to a report that a certain colored man living in East Fourth street had shot five times at his wife.

On "Tobacco Fair Day" we will offer some very low prices on Sterling Spoons and Forks, Ladies' and Gent's Gold and Gold Filled Watches and Chains, Cut Glass, and on every article we will make a decided cut. Compare our prices. MURPHY, the Jeweler.

The observance of Washington's Birthday at G. A. R. Hall last night was a pleasant affair. Revs. M. A. Banker and L. R. Godbey of the Methodist Church, Major M. C. Hutchins and Dr. A. N. Ellis made interesting speeches. Mr. W. H. Ryder with his graphophone and the Austin orchestra furnished music for the occasion. It was a pleasant and agreeable program gotten up by Joseph Heiser Post 13, G. A. R.

MIKE WALTON.

Mr. Mike Walton, one of Mason county's substantial citizens, died about 9 o'clock yesterday morning at his home at Mill Creek.

He had retired in his usual health on Sunday night, but during the night complained of not feeling well.

Getting up he remained so until morning, when his wife induced him to again lie down. Shortly after he passed away, apoplexy being the cause of his demise.

Mr. Walton was a native of Ireland, but for nearly fifty years he had been a respected resident of this county.

He was 70 years of age. His wife, who was a daughter of the late John O'Mara, survives, with seven children—Mr. John Walton of the firm Malone & Walton, this city; James of Covington; Mike and Miss Alice Walton of Mill Creek, Mrs. Thomas Malone of Clark's Station, Mrs. Pat Tierney of Mill Creek and Mrs. J. M. Collins of this city.

The funeral will take place from St. Patrick's Church tomorrow morning at 10 o'clock, and the interment will be in Washington Cemetery.

A Cure for Eczema.

My baby had Eczema so bad that its head was solid mass of scabs, and its hair all came out. I tried many remedies but none seemed to do any permanent good until I used DeWitt's Witch Hazel Salve. The Eczema is cured, the scabs are gone and the little one's scalp is perfectly clean and healthy, and its hair is growing beautifully again. I cannot give too much praise to DeWitt's Witch Hazel Salve.—Frank Farmer, Bluff City, Ky. In buying Hazel Salve look out for counterfeits. DeWitt's is the original and the only one containing pure Witch Hazel. The name of E. C. DeWitt & Co. is on every box. Sold by J. Jas. Wood & Son, Druggists.

Rev. J. W. Porter of Newport News, Va., was in the city for several hours this morning en route to Lexington where he will engage in a protracted meeting. The Doctor received the glad hand from his legion of friends and admirers in this city during his short stay.

SAD AND FATAL ACCIDENT

Mr. C. H. White Falls Through An Elevator Shaft

Death of This Progressive Citizen Follows a Few Hours Later

For sometime past it has been the custom of Mr. Charles H. White to visit the cigar manufactory of Mr. John T. Smith, located in the Dodson Building in East Second street, and while away his leisure time in converse with Mr. Smith and the employees.

On the second landing is a door opening into an elevator shaft, and almost adjoining is another door leading into Mr. Smith's establishment.

Yesterday while everybody was at dinner he paid his usual call and by mistake he opened the elevator door and stepped into the shaft and fell a distance of twenty feet to the cellar floor.

William Meenach was attracted by hearing feeble groans and cries for help and called Mr. Alton Schatzmann and together they descended the shaft into the cellar where they found Mr. White lying in a helpless condition in a pool of water.

He was carried to the first floor and a cot being procured was taken to his home in West Second street.

Dr. Browning was called and after an examination it was found that no bones were fractured, but the practical eye of the physician noted the fact that Mr. White was in a serious condition with the chances against him.

The accident occurred about 1:30 and he died 5:45 p. m.

The deceased was 74 years old and has resided in this city nearly all his life.

In 1859 he married Miss Anna Watkins, by whom two children were born, Robert and Ernie, the former being dead.

He was a cigar-maker by trade and early in life began business for himself.

He was the head of the following firms: White & Hill, then White, Hunt & Killick. This firm employed at one time over two hundred people.

For a time he ran a cigar box manufactory, afterwards White & Ort, furniture dealers.

He was instrumental in the formation of a Gas Company in this city; then White, Judd & Company, then White & Martin and last C. H. White.

More business houses and dwellings were owned and improved by him than by any other man in the city.

He leaves one son, Mr. Ernie White, and one sister, Mrs. Linn Gurney of Erlanger, Ky.

His funeral will take place Thursday at 10 o'clock a. m. Services by Rev. J. W. Porter.

A WOMAN'S COMPLEXION.

It is rank foolishness to attempt to remove sallowness or greasiness of the skin by the use of cosmetics, or "local" treatment, as advocated by the "beauty doctors." The only safe and sure way that a woman can improve her complexion is by purifying and enriching the blood, which can only be accomplished by keeping the liver healthy and active. The liver is the seat of disease and blood pollution. Green's August Flower acts directly on the liver, cleanses and enriches the blood, purifies the complexion. It also cures constipation, biliousness, nervousness, and induces refreshing sleep. A single bottle of August Flower has been known to cure the most pronounced and distressing cases of dyspepsia and indigestion. New trial size bottle, 25¢; regular size, 75¢. At Henry W. Ray's Drugstore.

The \$10,000 damage suit of Mrs. June Gregg of Paris against Mrs. Sarah M. Gregg of Crawfordsville, Ind., for causing the separation of the former from her husband, is on trial at Crawfordsville, and a decision is expected this week. The suit is attracting much interest.

Never before in the history of our business have we been so successful in reducing, in fact almost closing out our winter clothing. Our past four weeks reduced price sales left us the smallest kind of margin of profits. To close out the last Suit and Overcoat we have left, these profits—and losses on top of them—will be sacrificed in a sale beginning Wednesday morning, February 24th, and ending March 5th, that will be an epoch in Maysville's clothing business. **Nothing in This Sale is Reserved Except Our New Spring Cravenette Coats.** All of our Stein-Bloch, L. Adler Bros. and Garson, Meyer & Co.'s Suits and Overcoats are included in these slaughter offerings. **Read the Reductions:** All of our \$8.50 and \$10 Suits and Overcoats go at \$6.50; all of our \$12, \$15 and \$16.50 Suits and Overcoats go at \$10; all of our \$18.50, \$20 and \$22.50 Suits and Overcoats go at \$15. **All of These Rochester Made.** To give the youngsters the greatest bargains we ever offered, one-third of the price of our Children's and Boy's Suits and Overcoats will be taken off during the sale. Spot cash will be the only terms. Money returned if displeased with your purchase. **Don't miss this sale.** D. HECHINGER & CO., the Home Store.

"It is the law of American politics that no man can make himself a candidate for President, and no man can prevent himself from being a candidate for President."—From a statement made by the late James G. Blaine.

Most of Japan's warships and guns are English built; but when it comes to shootin' they're decidedly Yankeeified.

In the parlance of the avenue, Judge D. B. REDWINE of Music Hall odor "got it in the neck" in Frankfort a few days ago, in connection with the Hargis-Redwine attempt to bulldoze the Senate into passing the new Judicial District bill for the promotion of murder in Breathitt county.

Judge BOWLING of Jackson was in the lobby of the Capital Hotel talking with Senator CAMMACK of Owen county when Judge REDWINE came up and interrupted them. REDWINE, addressing himself to CAMMACK, said that he did not want him to pay any attention to the statements of the man to whom he was talking, as he—BOWLING—had been a bolter from the Democratic party and had been in Jail for contempt of Court. As BOWLING was about to respond the Senator from Owen stepped between the men and said to REDWINE:

"This gentleman and myself were talking of another matter and you should not have interrupted us. I can save you any further interest in my actions by telling you that I am against your bill, and that I have made up my mind to so cast my vote if it ever comes before the Senate."

And REDWINE filled the atmosphere with the names of a few Russian Generals.

WITH the death of Chairman HANNA and the peremptory resignation of Secretary PERRY S. HEATH, the Republican National Committee has lost two wheel-horses.

SOME conception of the true character of Senator HANNA may be obtained from the following narration by a personal friend who had done business with the Senator for many years.

Some time ago, says The Wellston (O.) Sentinel, a movement was on foot to consolidate all the furnaces in the Middle West, and this gentleman was appointed to wait on Senator HANNA and explain the matter to him and obtain his consent to become a party to the transaction. He visited the Senator and told his story. Mr. HANNA thought the plan a feasible one, and that the accomplishment of the purpose would result in the making of much money, but he declined to go into it. His friend was surprised, and the Senator explained. He said:

"My friend, look about you. Do you see all these old, gray-haired men at the desks?"

There were quite a number of old men toiling away.

"Yes," said the friend, "I see them."

"Well," replied the Senator, "so long as I and my family control these furnaces these men will have employment. Many of them have been with me for more than twenty-five years. They have helped make me, have helped to give me all I have. If I go into this deal the control passes from me, and I could have no assurance that these old men would be permitted to keep their positions. And I want to tell you that I would rather die a pauper than to see such a thing come to pass."

Mr. HANNA did not go into the deal. He was not further urged by his friend. He was not in any trust combination, notwithstanding what the opposition party press may say about the matter, and the old men are toiling at their desks, secure in the protection which shadows them from a great and tender and grateful heart. Such is a glimpse into the secret soul of the man who won the affection and the confidence of the American people.

"BABY AND I WERE SAVED BY PAINE'S CELERY COMPOUND."

—MRS. F. M. HORN.

Story of This Burdened Mother's Bravery Throbs With Human Interest.

HEROINE OF LISBON EPIDEMIC.

Mrs. Horn, As Sick Nurse, Saved Sheriff's Daughter and All Typhoid Patients—She Relied On Paine's Celery Compound.

By Mrs. F. M. HORN.

As my parents died when I was very small, I had to commence working hard when I was a mere child.

I would get all run down and would have had to give up completely were it not for Paine's Celery Compound. But that has always been my standby.

I always rely on it to strengthen and build me up again and keep me well. About my experience in the Lisbon typhoid epidemic: Before my marriage I was a sick-nurse. There is no hospital in this county, and the poor and homeless have to be taken in and cared for by anyone who can do it at county expense.

It was after my marriage that the epidemic of typhoid fever broke out in its worst form. I took in patients, cared for them, and meanwhile did all my own housework except washing.

I never lost a patient, and I had some of the worst cases in town.

Our Sheriff gives me the credit of saving his daughter's life after Doctor had given up hope, but I relied on Paine's Celery Compound.

When my last patient was well I was almost a skeleton, but I took several bottles of Paine's Celery Compound, and it kept me up and built me up.

Six months later I had a nice, plump baby with not more than three hours' severe suffering. My neighbors and I believe that Paine's Celery Compound saved my baby and me.

When nine months old baby weighed 24 pounds, and at one year 27 pounds.

Then the place where we were living was sold and we had to move. It meant leaving our garden, which was all planted—and we were depending on it for food.

So we built and moved into our own house unfinished as it was.

I did all my housework—took care of a teething baby and lathed the whole house myself—four thousand laths—as my husband's health was very bad and he was earning for us and building the house at the same time.

It was a mile back to my garden, but I did all the garden work—except digging winter vegetables.

I always carried my baby with me. It was a trying season, but, as usual, Paine's Celery Compound was my support.

I was nervous from hard work and all broken down after the typhoid fever epidemic. Sometimes I thought I would go insane. But Paine's Celery Compound saved me.

MRS. F. M. HORN.

Lisbon, North Dakota, November 20, 1903. P. S.—Nine years ago, when a young girl, I first used Paine's Celery Compound for dyspepsia. For the past five or six years I have not had the slightest signs of dyspepsia.

"THAT GOOD AND WONDERFUL MEDICINE,"

Paine's Celery Compound, Cured the Chronic Nervous Headaches Which Had Been the Bane of Her Life.

Albany, N. Y., Jan. 23, 1903.—"Nervous headaches have been the bane of my life. I have spent hundreds of dollars trying for their cure, and while some medicines would help me for a time, the cure was not permanent, and in a short time I was as bad as ever.

"Could not sleep at nights for weeks at a time, and was so thoroughly exhausted during the day that I could not attend to my work nor take proper care of my children.

"I was discouraged with life, when my husband insisted upon me trying Paine's Celery Compound.

"Thanks to that good and wonderful medicine, within a short time I was on the road to recovery, and after taking a dozen bottles I am completely cured."

WAS RUN DOWN, NERVOUS, DYSPEPTIC.

"My nerves are as tranquil as any one's nerves should be; I am strong and ready for work, and I have gained twenty pounds in weight. It is certainly a great remedy."

MRS. W. PARR,
135 Grand St., Albany, N. Y.

"IT WAS ALMOST LIKE MAGIC"

Dyspepsia Was Cured So Quickly by Paine's Celery Compound.

"I was troubled with dyspepsia and stomach trouble for seven years, and took numerous medicines which were recommended to me. Also took treatment of several doctors. Have never found anything that seemed to do me any real good until I took Paine's Celery Compound. "I bought and took six bottles, and my troubles entirely disappeared.

"All of my friends noticed the great, rapid improvement.

"It was almost like magic. I have taken but very little since, have good appetite and am generally healthy."

MRS. NELLIE SANDERS,

701 So. 16th St., Omaha, Neb., Sept. 30, 1903.

"LIFE IS NOW WORTH LIVING."

"Paine's Celery Compound Has Cured Me of Nervous Prostration, Faintness and Sleeplessness."

Newark, N. J., Dec. 26th, 1903.—"I cannot too highly recommend Paine's Celery Compound. It has cured me of nervous prostration, faintness and sleeplessness, from which I suffered for the last three years. I feel now that life is worth living."—Miss Matilda Erickson, 349 John St., Newark, N. J.

"Cure the REAL CAUSE of your Sickness—THE NERVES."
—Prof. E. E. Phelps, M. D., LL. D., of Dartmouth University, Famous Discoverer of Paine's Celery Compound.

The best physic. "Once tried and you will always use Chamberlain's Stomach and Liver Tablets," says William A. Girard, Pease, Vt. These Tablets are the most prompt, most pleasant and most reliable cathartic in use. For sale by J. Jas. Wood & Son.

Advices from Berlin state that the Kaiser, appreciating the extreme seriousness of affairs in the far East, and recognizing the fact that Russia will have her resources taxed to the utmost for some time to come, has assured the Czar of his resolve to prevent by all possible means an outbreak in the Balkans. Every pressure will be brought to bear on Turkey to this end. It is regarded as certain, say the advices, that the Sultan will listen to the Kaiser more readily than to any other ruler of Europe.

Miss M. Cartledge gives some helpful advice to young girls. Her letter is but one of thousands which prove that nothing is so helpful to young girls who are just arriving at the period of womanhood as Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I cannot praise Lydia E. Pinkham's Vegetable Compound too highly, for it is the only medicine I ever tried which cured me. I suffered most from my first menstrual period, I felt so weak and dizzy at times I could not pursue my studies with the usual interest. My thoughts became sluggish, I had headaches, backaches and sinking spells, also pains in the back and lower limbs. In fact, I was sick all over.

"Finally, after many other remedies had been tried, we were advised to get Lydia E. Pinkham's Vegetable Compound, and I am pleased to say that after taking it only two weeks, a wonderful change for the better took place, and in a short time I was in perfect health. I felt buoyant, full of life, and found all work a pastime. I am indeed glad to tell my experience with Lydia E. Pinkham's Vegetable Compound, for it made a different girl of me. Other Ministers of the Christian Church will be present and speak.

Dr. Smoot will have charge of the music.

Rallies will be held this week at Vanceburg on Tuesday, and Orangeburg and Tollesboro on Wednesday.

Disciples of Christ in adjoining Churches are invited to these rallies, as they are preparatory to the Foreign Missionary collection the first Sunday in March.

The general public will also be made welcome.

"THE BLADE" IS OFF!

"The Ledger" Begs to Correct Some of Its "History."

The Ripley Bee wants to know in what year the steamboat Moselle was blown up at Cincinnati and number of persons killed? Also in what year was the A. N. Johnston blown up just below Manchester and how many killed? How many were killed by the explosion of the Sultana in 1865, and wants to hear from Captain Evans on the subject. We don't know what Captain Evans may know about these matters, but we can say that the Moselle blew up in 1840 and two hundred people were killed. The A. N. Johnston blew up in 1854 and seventy persons were lost. It was never known how many people were lost on the Sultana, but it was not far from a thousand. She was crowded with Union soldiers, carried North to be mustered out.—Portsmouth Blade.

For the sake of history, and for the information of The Blade writer, THE LEDGER begs to correct the foregoing.

The steamer Moselle was blown up at Cincinnati, just as she was pushing out for a trial trip, April 25th, 1838, and a few over 100 lives were lost.

The new steamer A. N. Johnston blew up ten miles above this city at 1:30 a. m. Dec. 30th, 1848, and only 45 persons were lost, a number of the injured being brought to this city, several dying here.

The ill-fated Sultana exploded her boilers 9 miles above Memphis, Tenn., about 1 o'clock in the morning of April 27th, 1856. She had on board 1,866 Federal soldiers who had been prisoners-of-war, and who were on their way home from Vicksburg after being exchanged. Of this number, 1,101 were lost, only 765 being saved. The passengers and crew numbered 155, of whom 137 were lost, making a total loss of 1,238.

Of the surviving soldiers are Messrs. George M. Clinger now of Dover and William Carver of this city; and among the lost were several Maysville boys.

GEORGE VARIAN SIMPSON.

A Sweet Young Child Called to the Fold Above.

Death has ever been an unwelcome messenger, come when it may, to take home to God from our embrace the immortal spirit of a darling child, the object of parental devotion; we shrink back in sadness as we behold our fondest hopes cruelly blighted. God is hourly calling some dear ones to Himself; yet we must be comforted to know that the dear little form is transplanted from a world of sin and suffering to a world of purity and love. God needs the little rosebuds to beautify His heavenly garden, and so takes them one by one to the realm of glory.

As a pang to the hearts of loved ones comes the sad news of the death of little George Varian Simpson, the darling eight-months-old child of Mr. and Mrs. Charles J. Simpson of Maysville, Ky. Only two weeks ago the parents returned to their home with the little one, and after a brief but painful illness, notwithstanding all the attention that love and earthly skill could administer, his little soul was wafted to join the heavenly choir on Sunday afternoon, February 14th, there to sparkle a bright gem in the crown of our blessed Redeemer.

To the afflicted parents the heartfelt sympathy of the community is extended, who commend them to "Him who gave and has taken away."

Shut the door softly, for George's asleep, And list to the music of heavenly feet As they climb the stairway up to the sky, And turn with a smile to say goodby.

"Fare and mamma, and loved ones so dear, Call me not back from the echoless shore." Be faithful! is wafted across death's dark deep, List! the golden key turned and George's asleep. J. E. S.

An Early Riser.

A strong, healthy, active constitution depends largely on the condition of the liver. The famous little pills known as DeWitt's Little Early Risers not only cleanse the system but they strengthen the action of the liver and rebuild the tissues supporting that organ. Little Early Risers are easy to act, they never gripe and yet they are absolutely certain to produce results that are satisfactory in all cases. Sold by J. Jas. Wood & Son, Druggists.

Rheumatism Cured.

Mr. Michael Doran, Youngstown, Ohio, says:

"I suffered for a long time with acute Rheumatism in my knee. I tried all kinds of remedies, including an expensive course of electric treatment, all in vain. At the suggestion of my druggist I took a bottle of Paracamp to try. The effect of its use was magical. I got relief at once and after using three or four bottles believe I am permanently cured. It is a wonderful remedy, and upon my advice a number of my friends have tried Paracamp, and the verdict is unanimous that it is all it is claimed to be. I come of my own accord with this statement because Paracamp is a blessing." Sincerely, "MICHAEL DORAN."

HARD TO EXPLAIN

If This Had Occurred Anywhere Else Than Maysville Our Readers Might Doubt It.

It's hard to explain how the public can continue to doubt in the face of such evidence. If this were published anywhere else than in Maysville, if the statement given below went the rounds of the press, readers in Boston or New Orleans might doubt it. But it's very different when the testimony given comes from a friend, perhaps a neighbor. It is public expression of a local citizen, and can be easily investigated.

Mr. Larnon Dawson, residing at 934 East Second street, says:

"The quick relief from pain in my back, which followed the use of Doan's Kidney Pills, proved them to possess remarkable powers. I procured them at J. Jas. SPRINGDALE.

J. S. Degman was in Maysville on business Friday.

Mr. Clarence Sylvia returned to Cincinnati Monday.

Mrs. James Alton has returned to her home at Greenup.

Mr. Charles Doyle and Martin Ulysses Pelham of Foxport were here Saturday.

Stockton Barnes Tully came down Sunday to see his mother, who is much better at this writing.

The foxes have been thinned out, hunters are "laying low" and spring lambs and pigs are being tenderly nursed this strenuous weather.

Some tobacco beds have been burned, and the usual winter crop is about made, around the Station stove, which is kept aglow with an occasional lump which falls from a C. and O. freight going West.

Sam Fleming came up from Ripley Friday. He reports a coal famine there as follows: The O. R. and C. engines are being supplied from South Ripley by a gunny-sack full or two at a time, which is being transported in a jobboat, a rather strenuous job, in view of the numerous floating cakes of ice.

Wednesday morning the register stood 1° above zero, and had there been snow on the ground it would, no doubt, have been seen below. Thursday brought us a sheet of ice and sleet an inch or more thick, so when the road was smooth and the horse rough shod it was fine sleighing, and Mrs. Claude Osborne, who came down from Portsmouth, was conveyed to Cottageville in an elegant cutter in real Arctic style and Friday morning, a thirty mile gale and much beautiful snow.

George Bevard, J. Kennedy Greenwood, and Pat Fay, George Kennard, Ed Bevard, Will Dunbar, George Garrett, Will Mefford, Lou Henderson, Charles and Frank Moore and Robert Tully, from Lewis; B. A. Hook, J. Elliott, John Otto, Charles Wilson, Harley Wilson, Ben and Lou Otto, J. T. Murphy, Pres Lantz, Ed Staten, R. Gerwin, C. Degman and George Bevard, Jr., of Mason county, and A. Wilson of Adams county, O., bought tickets at Springdale Saturday morning en route to the Tobacco Fair.

Our school had to stop because of lack of money to buy fuel. Under former administrations there was plenty of fuel money for a nine or ten months school. With the same levy, increased resources and valuation thereof, why is there not money to buy fuel for a six or seven months term? Is there something rotten? Had we not better kill the bloodhounds; take the cost annually paid for their board, or the fees paid attorneys to prosecute the schoolbook companies, and keep the tots in school? Our Trustees are not to blame; they have already made one per capita levy to supplement the per cent. set apart in the school law.

Women have to bear the brunt of the pistol-ky combination.

Mr. Allie Thompson, who has been housed for the past two weeks with grip, was able to be out this morning.

Tendency of the Times.

The tendency of medical science is toward preventive measures. The best thought of the world is being given to the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most dangerous diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from an attack of influenza (grip), and it has been observed that this remedy counteracts any tendency of these diseases toward pneumonia. This has been fully proven in many thousands of cases in which this remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pains in the chest, then it is announced that the patient has pneumonia. Be on the safe side and take Chamberlain's Cough Remedy as soon as the cold is contracted. It always cures. For sale by J. Jas. Wood & Son.

The Smith & Nixon
Piano Co.'s

REASONS WHY YOU SHOULD BUY THEIR INSTRUMENTS. They are manufacturers of pianos since 1843, they know how to make good pianos. They have a branch in Maysville and sell you at wholesale price. Each Smith & Nixon Piano is an individual. A gray-haired piano builder puts into each Smith & Nixon Piano a part of his life. His own individuality enters into this piano. It is immaterial to him whether he builds one piano or ten in a month. In laying the keys and adjusting the hammers he patiently sits and strikes the key until the touch and tone is exactly what his lifetime's experience has taught him that it ought to be. It is immaterial to him whether it takes five days or fourteen days to lay this one set of keys. The only object with this gray-haired operator is to put his own individuality into this piano. In assembling the parts of the sounding board he selects each small piece of wood with a growth and grain peculiarly adapted to reproduce the sound from each string in that particular piano. His technique is acquired by a lifetime's effort. His technique is his life, and that sounding board for that particular Smith & Nixon Piano does not leave his hands until a part of his life has entered into it, no matter whether it takes one day or nine to assemble the parts of that sounding board. It is immaterial to him. Is that not far better than having 100 sounding boards made at so much per board and then fitted indifferently into 100 pianos at so much per piano? The same applies to the keys, the hammers, the strings, etc., in cheap pianos. There is no individuality, no technique, no touch; all cheap pianos are just the same; one is just as good as another; all will make plenty of noise. Recognizing these facts, 52 Conservatories of Music in the United States use pianos made by the Smith & Nixon Piano Co. Such high-class artists in Cincinnati, O., as Albino Gorno, Romeo Gorno, Nicholas J. Eisenheimer, Theodore Bohlman, Frederic Shaller Evans, R. A. Trindell, Oscar J. Elgott, Hans Selz, Herman H. Kaemper, etc., all use Smith & Nixon Pianos. For these and other good reasons the Smith & Nixon Piano Co. asks you to look at their samples at JOHN I. WINTER & CO.'S STORE, Maysville, Ky.

Mrs. O. B. Stitt is in Cincinnati.

Mrs. W. A. Slusser of Cincinnati returned home yesterday after a visit to her father, Captain Jacob Miller.

Rev. W. T. Spears preached at Murphysville Sunday afternoon.

Think of
Your
Teeth!

Don't wait until a dental bill reminds you of neglect. A clean tooth might wear out; it cannot decay. Many who look after their teeth constantly fail in the selection of a proper brush. A brush to cleanse perfectly must have genuine bristles, just stiff enough, long enough and so trimmed as to reach every nook and cranny. We pride ourselves on our line of tooth brushes. They are honest, practical ones. We look out for the little points that mean much in tooth saving. We don't recommend the cheaper brushes, but for 25c we can furnish the kind that will endure and that will do what they should while they last. Our 35c and 50c brushes we guarantee to give satisfaction or money back.
